Axesstel MV440 Gateway Product Presentation

Safe Harbor Statement

This presentation contains forward looking statements. These statements relate to future events or our future financial performance and involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to differ materially from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. You can identify forward-looking statements by terminology such as “may,” “will,” “should,” “expects,” “intends,” “plans,” “anticipates,” “believes,” “estimates,” “predicts,” “potential,” “continues” or the negative of these terms or other comparable terminology. These risks and other factors include those listed under “Risk Factors” and elsewhere in the company's prospectus. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. You should not place undue reliance on any forward-looking statements that reflect our management’s view only as of the date of this presentation and prospectus. We will not update any forward-looking statements to reflect events or circumstances that occur after the date on which such statement is made.

MV440 3G Gateway

**CDMA EV-DO Rev. A Wi-Fi Gateway
MV440 (800/1900MHz)**

Features

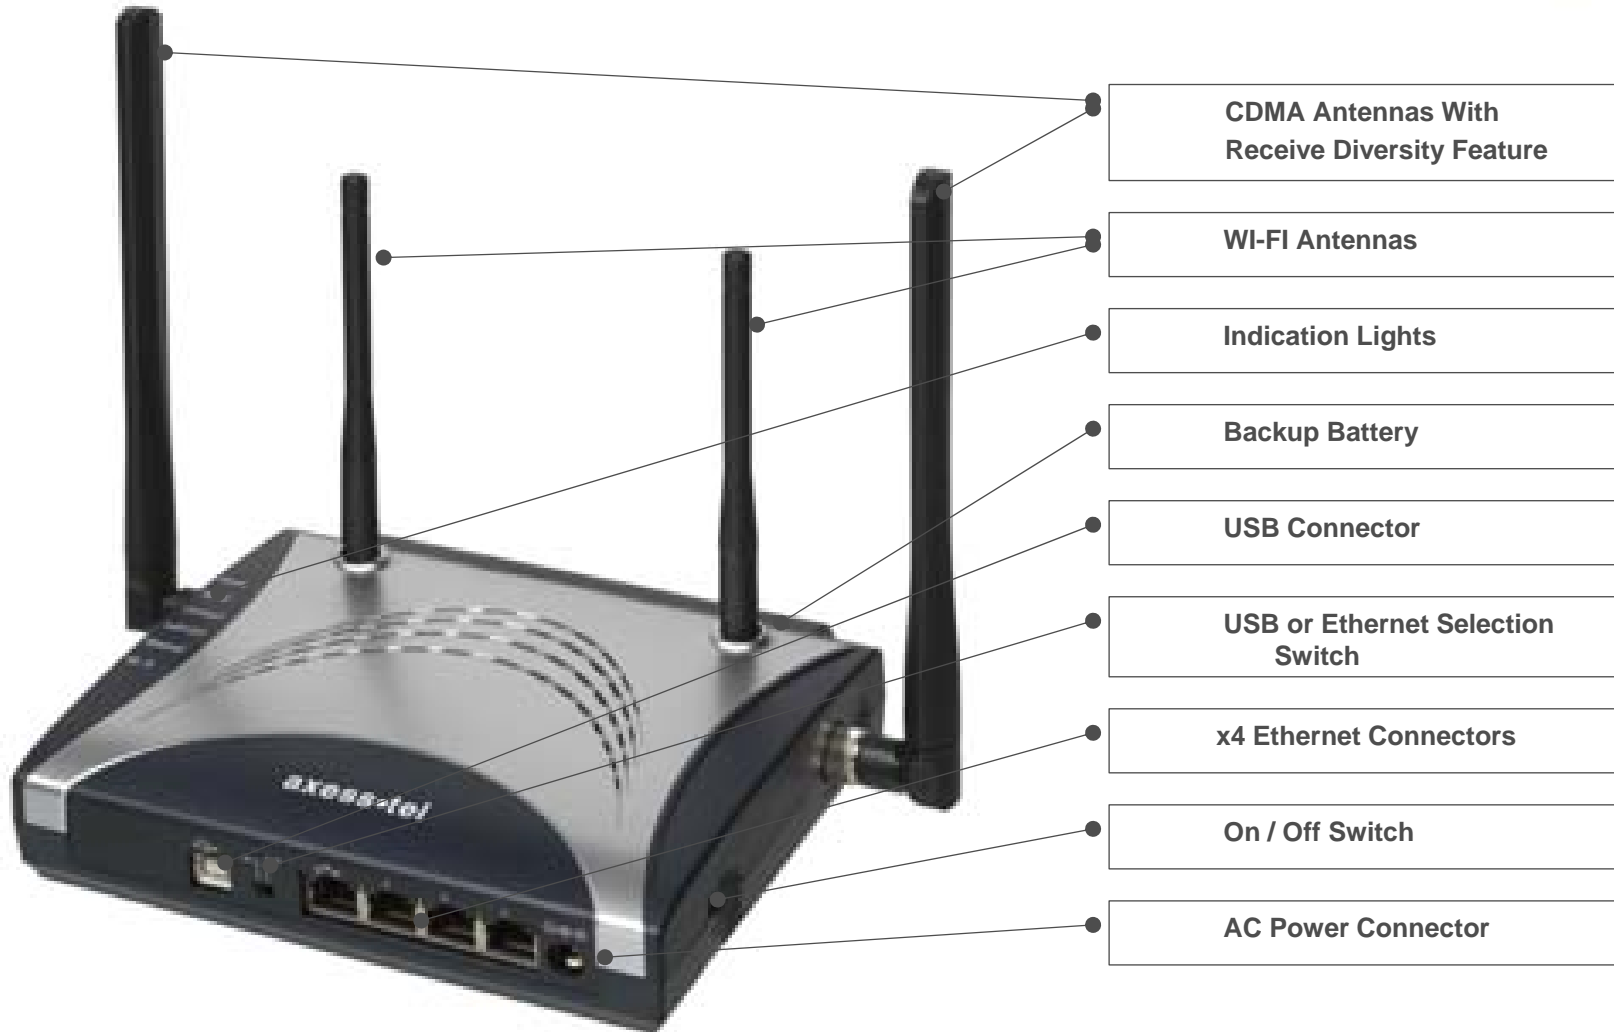

- CDMA2000 1xEV-DO Rev. A data speed up to 3.1Mbps

MV440 Wi-Fi Gateway

Wireless Broadband Gateway - Benefits

Verizon Reseller Benefits

- ✓ Increase Activations & Recurring Commissions
- ✓ Sell Data Services to Broader Customer Base
- ✓ Tap Vertical Markets
- ✓ Tap SOHO/Business Market Share

Subscriber Benefits

- ✓ Increase Productivity
- ✓ Broadband for the Home Office
- ✓ Plug-and-Play Networking Device
- ✓ All-in-one device offers simplicity
- ✓ Multi-functions reduce cost

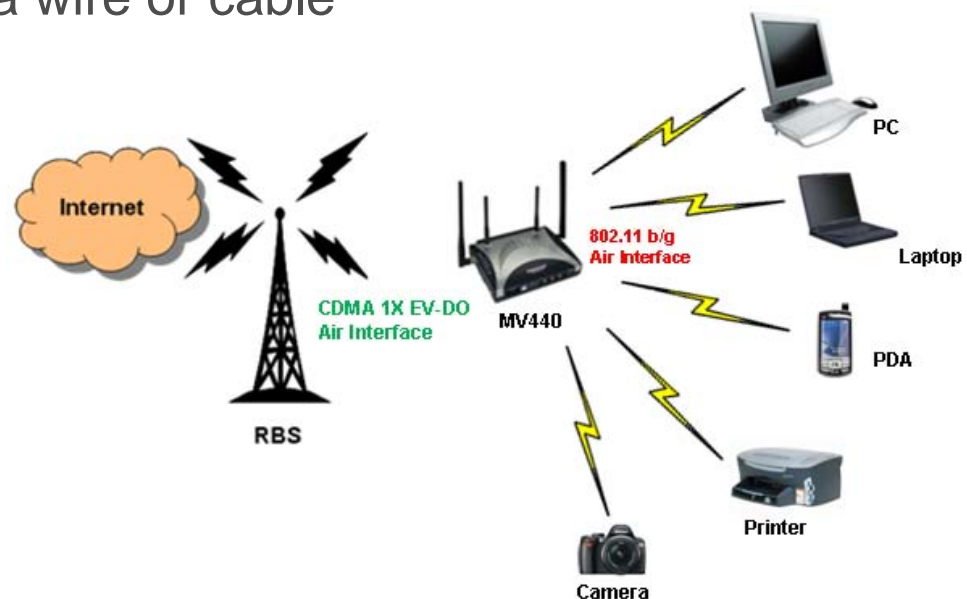

MV440 3G Gateway Advantage

3G speed with built-in Wi-Fi

- ✓ All-in-one networking device for enterprise
- ✓ Plug-and-play with battery backup
- ✓ Out of Box Activation and Installation
- ✓ Moveable, not tethered to a wire or cable

Targeted Vertical Applications

- Security and Video Monitoring
 - alarm monitoring, video camera control & streaming
- Home Healthcare Monitoring
 - patient monitoring and observation
- Public & Private Transportation
 - bus lines, train lines, public transport centers, private vehicles
- Coastal Maritime
 - yachts, cruise ships, ferries, offshore platforms
- Emergency and Public Safety Services
 - disaster recovery, emergency services, mobile command centers, homeland security
- Industrial Real Time Monitoring and Control
 - agriculture, utilities, energy
- Financial Services
 - ATM, multi-lane point of sales & kiosks
- Mobile Communications
 - sales and service force automation

MV440 3G Gateway – Use cases

Transportation

- Broadband data with Wi-Fi for public transport system

Schools, Airport Hot-Spots

- Easy setup Broadband data services

MV440 3G Gateway – Use cases

Small Office Home Office Small and Medium Business Networking Internet Café

- Easy setup Broadband data services

Emergency Service Networks

- Secure, High-availability network with broadband data and Wi-Fi
- Dedicated Public Safety Network

Packaging Information

Packaging

1. MV440vzw main unit
2. User Manual
3. AC adaptor (including power cord)
4. 2 antennas
5. Driver CD
6. LAN Cable

Packaging Information (cont.)

Packaging

7. Standard G/box
